ABOUT US :

NIPS Paramedical College is committed to bridging the gap between traditional education and skill-based training by equipping individuals with the tools they need to thrive in today's fast-changing world. Our journey began in 2017 with the establishment of the **Nasik Institute of Paramedical Sciences (NIPS)**, focused on delivering high-quality education and creating a skilled workforce for the healthcare sector.

Since its inception, NIPS has successfully trained and placed thousands of healthcare professionals across multispecialty hospitals and diagnostic centers throughout India.

Launch of NIPS Future Skills Academy In 2022

Recognizing the growing demand for next-generation skills across multiple sectors, **NIPS launched NIPS Future Skills Courses in 2022**. This new initiative focuses on providing practical, industry-aligned training in high-demand areas, including:

- **Short-term Courses in Healthcare**
- **Naturopathy and Ancient Indian Therapies**
- **Special Education Teacher Training** – for educators working with specially-abled children

Our Vision

In the coming decades, survival and success will depend on the ability to adapt, learn, and apply new skills.

At **NIPS Paramedical College** , we believe skill development is not just an option it's a necessity.

Our mission

To empower individuals with future-ready skills that lead to sustainable careers, personal growth, and a more skilled India.
